

Dairy Farm Bill Meeting

Dairy Margin Protection Program

Dr. Griffith will address the Margin Protection Program and how you can use the program to help insure an income over feed cost margin for the milk you are producing. He will demonstrate the MPP-Dairy decision tool to help you make a sound decision on insuring your margin. He will also provide information on how the entire program will work and the rules you must follow to operate in this program. These meetings will start at 10:30 am and should end sometime around 1:30 PM. **Lunch will be provided.** Please call the number below to the location you would like to attend, to help with the meal count. I hope you will be able to attend.
